Train Crashes Into Truck, Few Injured

SWILTON JUNCTION, Iowa (AP) — A Rock Island Line train carrying 75 passengers crashed into a stalled tow truck Sunday and the five cars jumped the track.

Eighteen persons from the train were taken to hospital in nearby Davenport and Muscatine, Iowa, and Moline, Ill. Most of them suffered cuts and bruises. Five passengers remained in hospitals overnight.

Two of the eastbound train's four engines fell over on their sides. The other two engines and five cars remained upright after the collision in this eastern Iowa town of 1,000 population.

"Things were flying all over inside—suitcases and bags and hats—I even saw a lighted cigarette go by my head," said HOLLY Hawett, 18 of Portland, Ore., a student at Wheaton Ill., College and one of the passenger.

Another passenger, Sister Mary Owen, a nun, said, "I could hear myself praying."

The Rock Island division superintendent, Frank Garner of East Moline, Ill., said the train was traveling at 70 miles an hour when engineer Joseph McAvoy of Des Moines saw the vehicle on the tracks.

A Wilton Junction garage operator, Roland J. Clausen, 43, the driver of the truck, and a companion, Wilton Junction High School football Coach Dale Kreimeyer, 49, jumped out seconds before the train struck the tow truck.

Iowa Highway Patrolman William Wollers said they were trying to remove some dead trees from the vicinity of the grade crossing.

Diet Apparently Worked for Her

MIAMI, Fla. (AP) — Connie Clement, 21, the new Miss Miami and an Orange Bowl princess, says she developed her 37-24-35 figure on a diet of boiled eggs and root beer.

"I had an inferiority complex about my weight," said the University of Miami senior recalling her high school days when she was "very, very chunky."

"All I ate was a boiled egg and a diet root beer once a day," she said.

Obituaries

RUFUS MARTINDALE

Rufus Martindale, 75, longtime Hempstead resident, died at his home here Monday. He was a Baptist and a retired salesman.

Surviving are his wife, Mrs. Ruby Martindale; a daughter, Mrs. W. Allen Ford of Hope; two brothers, Earl of Nashville and Dr. Jim Martindale of Hope; three sisters, Mrs. J. W. Williams of Sheridan, Mrs. Mary Compton and Mrs. Martha Zinn, both of Hope.

LOS ANGELES (AP)—Gerard Mohr, veteran American radio, television and movie actor, died Saturday in Stockholm where friends said he was producing a television series. Mohr, 54, portrayed detective Philip Marlowe on the radio series in the 40s, played the Lone Wolf in seven movies, and appeared in "Foreign Intrigue" and other television series during the 50s and 60s. Cause of death was not determined immediately.

CLEVELAND, Ohio (AP) — Bengt R.F. Kjellgren, 74, internationally known chemical engineer and former board chairman of the Brush Beryllium Co., died Sunday in Cleveland Clinic Hospital. Kjellgren, a native of Sweden, worked on the American project that developed the first atomic bomb and on the U.S. Polaris submarine project.

ARAB IMMIGRANT

(from page one)

The arrests came after police received an anonymous telephone call from a man who said the Namer had tried to recruit him because he is an expert marksman.

Police traced the call, seized the man and questioned him for several hours until finally they apparently became convinced he was telling the truth. The informant, said to be a 36-year-old man with an Arab name, is in protective custody.

Acting Dist. Atty. Elliott Golden urged that they be held without bail, saying, "Aside from the gravity of the charges so far there are strong ties outside the country, certainly family ties." He said Namer has a wife and three daughters in his home village of Thou Elnimar, a rural settlement in south-central Yemen.

A Legal Aid Society attorney, Elliott Case, argued, however, that none of the defendants has a criminal record and that two are U.S. citizens. He did not say which son was a citizen.

Friends and acquaintances of the elder Namer, both here and in Yemen, described him as not interested in politics.

"He knew nothing except how to earn a living and saddle his donkey," said a director of the Economy Ministry in Yemen who said he had known Namer.

In Yemen, Namer made a living by cultivating qat, a mildly narcotic plant whose leaves induce a feeling of boldness by dulling the senses. It is chewed by almost all Yemenis.

Arbitrated Dispute

William I, emperor of Germany, once arbitrated a dispute between the United States and Great Britain. The dispute was about the ownership of the island of San Juan. He decided the island should belong to the state of Washington.

VETERAN'S

(from page one)

All told, more than 65 million armed men from some 30 nations had been drawn into the struggle.

The war was a strange combination of old techniques and new.

Horse drawn supply wagons and mobile guns mingled with motorized transport in the fighting areas.

The Germans bombed London and eastern England from Zeppelin dirigibles filled with highly inflammable hydrogen until the British introduced explosive antiaircraft bullets.

At the outset, the flimsy military planes of the time were used mainly for front-line reconnaissance. Pilots fired at enemy pilots with pistols and rifles.

Aerial evolution was quick. The planes were turned into effective warcraft by the installation of machine guns, and the development of bombers, notably the German Gotha, soon followed.

In the September 1914 battle of the Marne, the French rushed 6,000 troops to the front in Paris taxicabs.

The Germans pioneered the use of poison gas in the second battle of Ypres in April and May 1915.

The British invented tanks, which made a first appearance on the Somme in September 1916.

The Germans built a monstrous gun with a range of 75 miles—eventually nicknamed "Big Bertha" after a Krupp family daughter — and on March 23, 1918 began shelling Paris from afar.

Much of U.S. Sees Snow, Cold Weather

By THE ASSOCIATED PRESS

Three storm systems churned across the Northern states today dumping traffic-snarling snowfall on New England and the Midwest and pushing freezing temperatures and the threat of snow into the Deep South.

The most intense storm piled up to 11 inches of snow in six hours on top of earlier accumulations that temporarily stranded thousands of motorists in parts of New England Sunday.

Millinocket, in central Maine, measured 19 inches of snow by early today while nearby Greenville huddled under 16 inches.

State police in southern Vermont and New Hampshire reported thousands of motorists temporarily stalled Sunday on secondary roads when up to 10 inches of slushy snow caught them without snow tires or chains.

Some early season skiers in the Mt. Snow, Vt., area took refuge in ski lodges and inns that were preparing for a Thanksgiving opening.

The snow was driven by gale-force winds along the New England coast.

A second storm swirled into the Midwest spreading snow over a ten state area from Michigan to Arkansas. Southern Iowa got the most snow—the Des Moines area more than 10 inches.

GARY L. ROGERS

Army Pvt. 1c Gary L. Rogers 20, son of Mr. and Mrs. David L. Rogers of Hope, has been assigned to the First Air Cavalry in Vietnam. He is a 1966 graduate of Hope High and took basic and advanced training at Fort Polk, La.

He moved southward into Missouri and was expected to reach Mississippi, Alabama and Georgia later today.

Another disturbance damped the Pacific Northwest with up to three quarters inch of rain turning to snow at higher elevations.

Frigid Canadian air swept south over the Great Plains behind the Midwestern storm bringing freeze warnings into Oklahoma and northwest Texas. Temperatures early today ranged from 9 degrees in Williston, N.D. to 70 at Key West, Fla.

Plane Hits Moose on Runway

CORDOVA, Alaska (AP) — An Alaska Airlines 727 jet lost its nose landing gear when it rammed a moose on a runway Saturday.

The only victim was the big animal.

When the plane slid on its nose to a stop, the 31 passengers and six crew members hustled out, shaken but unhurt.

Recount Made Possible by Republicans

FORT SMITH, Ark. (AP) — Officials today began recounting Sebastian County ballots in the lieutenant governor's race, with the Republican party helping to make the recount possible for the Democratic candidate.

The GOP provided 18 workers. Bill G. Wells, the Democratic candidate who trailed his GOP foe, Lt. Gov. Maurice Britt, in the unofficial tabulation, requested the recount.

Wells provided 12 workers for the recount. His contribution plus that of the Republicans made the recount possible.

Similarly, in Pulaski County, the GOP provided \$500 to help pay for a recount requested by Wells, who contended some irregularities might have hindered his standing in the Pulaski vote.

The recount in Pulaski County trimmed Wells' vote total more than it cut into Britt's.

Anti-Soviet Czechs Jeer Old Reds

By FRANK CREPEAU
Associated Press Writer

PRAGUE (AP) — Anti-Soviet Czechoslovaks jeered and jostled hard-line Communists who had to fight their way out of a Soviet friendship rally in Prague Sunday shouting, "traitors," "swine" and "collaborators," a crowd of more than 1,000 Czechoslovaks massed outside a hall where more than 2,000 pro-Soviet Communists attended a morning rally. Fists broke out. Many suffered minor injuries and police took several persons into custody.

About 100 Soviet soldiers who participated in the rally left the hall by a side door. But about 100 Czechs gathered around their buses, shouting "go home" and shaking their fists at the Russians, who waved and smiled.

The meeting was organized by the Czechoslovak-Soviet Friendship Association, a group being used to organize opposition to the reform leadership of Alexander Dubcek, first secretary of the Czechoslovak Communist party.

Dubcek and the old guard are expected to clash Thursday when the party's central committee meets to decide whether reforms begun in January will continue under Soviet occupation.

Can Get Ride Just Any Time

MIAMI, Fla. (AP) — President-elect Richard M. Nixon, soon to become commander-in-chief of the U.S. armed forces, was chatting with Coast Guard Capt. John Thompson this weekend, while in Florida for a rest. Nixon noted he has real estate interests in the Bahama Islands and said, "Maybe one of these days, captain, I can hitch a ride over on one of your planes."

Thompson, commander of the Coast Guard's 7th District here, nodded briskly and replied: "Any time, sir. You just say the word."

Thompson told a newsman later he was thinking, "Mr. Nixon, all you have to do is wag your little finger and you can have the whole blasted fleet."

HELEN HELP US!

by Helen Bottel

NEW KIND OF ETIQUETTE RULE

Dear Helen: Should a gentleman tell a lady when her false eyelash is flapping loose? — ESCORT

Dear Escort: Yes. If she comes unglued about it, well — she already was. — H.

Dear Helen: Here's a little story for the lady who said she liked to use her son's slang words. This'll cure her.

A fox and a regular boined near the brain factory.

"It's a gross bummer when your hog is rocked," said the uptight fox.

"I cobbled," grooved the regular, "But maintain. Bell The Man and hang tight."

"Don't the fuzz put a rank on you in this corral?"

"No, they're cool backs and not easy gains. When a dude ripped the rock-box from my short, they busted him like yesterday."

"You put a rap on me. Back up the train and I'll give'em a honk on the horn before we catch hat to prison." — SLANG SLINGER

Dear Readers: Here's the tran-

station — which cost me an hour's research:

"A sharp looking girl and an ordinary, unspectacular female talked near the school. (My generation would call them a 'dish and a dud.')"

"It's a very bad thing when your big car (gas-hog) is stolen," said the upset girl.

"I feel for you," sympathized the unglamorous one. "But don't get shook. Call the police and keep calm."

Don't the cops talk you down in this town?"

"No, they're good guys and not easily fooled. When a man stole the radio from my compact car, they arrested him fast."

"You're convincing me. Wait a minute and I'll telephone them before we go to school."

....Jeepers creepers! Think I'll "scram" back to the 1940's for a rousing rendition of "Mairiel Doots." — H.

Dear Helen: I thought no one except the hard doper was foolish enough to drop acid, after all the publicity about bumtrips, deaths, altered chromosomes, etc. But lately I hear rumors.

If this is true, I think newspapers should do something about re-educating people to the dangers of LSD. I remember glue.

For a while, kids steered clear because they read so many scare stories about sniffing it. Then the stories disappeared, and they started in again.

As long as dangers of dope are told in big headlines, a lot of young people stay "straight" through fear dissipates fast when it isn't "news" any more.

This is my open letter to the press: Keep harping on the dangers of drugs, especially LSD and, hopefully, fewer people will try them. — STRAIGHT AND CONCERNED

Dear S and C: The poor old Press. It's damned if it does, and damned if it doesn't! A while back, critics blasted newspapers for popularizing illegal drugs. Recently I've heard from many who accuse journalists of "playing down" the problem.

HOWEVER,....

Increased use of LSD should be reported, if true. And according to my mail, I'm very much afraid it's true! — H.

KEY BISCAYNE, Fla. (AP) — For Rose Mary Woods, the first appointment of President-elect Richard M. Nixon's new administration means one thing: She is going to keep doing what she has been doing for 17 years.

Nixon announced Sunday that Miss Woods will be his personal secretary. That was no surprise. She has held the post since 1951.

Brown-haired Miss Woods has traveled with Nixon on seven national political campaigns. She was on duty throughout the 1968 race, her normal post an electric typewriter on Nixon's chartered jet.

Miss Woods also accompanied Nixon on all but two of his official trips during the eight years he served as vice president.

Her years with Nixon have made her an expert on politics. She knows most of the nation's political leaders by face or by name and is acquainted with most of the newsmen who write about politics.

She is intensely loyal to the man she calls "the Boss."

And Nixon relies heavily on her expertise in politics and government.

Television and Radio

By CYNTHIA LOWRY

AP Television-Radio Writer NEW YORK (AP) — "The Beautiful Phyllis Diller Show," after a short but not particularly merry life, will disappear from NBC's Sunday night schedule early in January.

It will be replaced by "My Friend Tony," a police series starring James Whitmore and developed by Sheldon Leonard. During the past couple of months, the Diller show has pulled consistently low ratings in its late Sunday night spot where a number of other series have had a hard time — "The Rogues," "Wackiest Ship in the Army" among them — and where even Andy Williams, a

critical success, had slow going.

Sunday night's hour was rather typical of the canceled series — a colorful, handsome show with imaginative settings and unusual musical numbers but falling short in the important areas of comedy and sketches.

Miss Diller, with her bizarre costumes and strange coiffures, has many demands upon her talents — hostess, comedy monologist, sketch actress and even participant in musical production numbers. Phyllis' monologue Sunday traveled over the usual territory — her drunken husband Fang, her strange in-laws, her disordered house — and many of the jokes were greeted without much laughter. Rip Taylor, a comedy regular, read a long script consisting entirely of spoonerisms called "Prindrella and the Cincem." It reached its comedy peak with such

transpositions as "Shirley dame" for "dirty shame."

There was, however, a charming number with the five little Pierce sisters dancing with the chorus boys, and the show wound up with a big bouncy production number in mock tribute to Carrie Nation. Miss Diller may have enraged the nation's temperance advocates by playing Carrie as a lush.

Earlier, on CBS, the Smothers Brothers caught up with the election results by including a concession speech from its own presidential candidate, Pat Paulsen. The satiric comedian mouthed all the clichés of the defeated candidate and wound up paraphrasing a well known farewell to politics: "Gentlemen, this is my last press conference and you won't have Paulsen to kick around any more." He got a lot of laughs.

Recommended tonight: "Now

You See It, Now You Don't," NBC, 9-11 EST, "World Premiere" film feature with Jonathan Winters, Steve Allen and Jack Weston.

Fire Delivered to the Water

TOLEDO, Ohio (AP) — A fire was delivered to the water Sunday. Hundreds of bales of packing material caught fire in a railroad boxcar on the Ann Arbor Line. Railwaymen shunted the car down the track to a hydrant to make life easier for the firefighters.

Some Rated Teams Upset Victims

By HERSCHEL NISSENSEN
Associated Press Sports Writer

John McKay was scared, Woody Hayes was apprehensive and when they got over their fears California and Wisconsin were soundly beaten.

"We're not nervous; we're scared," McKay said before his top-ranked Southern California football team demolished 11th-rated California 35-17 Saturday.

"I wouldn't say I was scared; I'd say I was apprehensive," was the way Hayes put it after second-ranked Ohio State managed only a 10-0 halftime lead over winless Wisconsin. The second half was something else and the Buckeyes wound up with a 43-8 victory.

But while the Trojans, Buckeyes and Penn State's fourth-ranked Nittany Lions, 22-7 winners over Miami, Fla., were running their perfect records to 7-0, many of The Associated Press' Top Twenty teams were having their problems.

Kansas, Tennessee and Purdue, ranked third, fifth and sixth, respectively, lost, as did No. 17 Michigan State, No. 20 Louisiana State and, of course, 11th-ranked California. Ohio University, rated 16th, remained one of six unbeaten and untied major teams by nipping Bowling Green 28-27 on Cleveland Green 48-yard touchdown run.

Southern Cal. erupting after barely beating Washington and Oregon, made a shambles of California's highly touted defense. Steve Sogge passed for three scores and O.J. Simpson shredded the Golden Bears for 164 yards and two touchdowns.

Rex Kern, Ohio State's sophomore quarterback, was sidelined with a leg injury, so Hayes called on another rookie, Ron Maciejowski, and he responded by scoring three times and passing for a fourth touchdown.

Kansas ran a foul of Steve Owens, Oklahoma's fine halfback, who ran for 157 yards and two touchdowns, threw a 13-yard scoring pass and scored with 4:14 left to drop the Jayhawks from the unbeaten ranks 27-23.

Penn State trailed Miami 7-0 at halftime but rallied behind Charlie Pittman's three touchdowns and a robust defense.

Auburn and Alabama gave the home folks something to talk about by sweeping a day-night doubleheader in Birmingham, No. 18 Auburn chanted Tennessee its first setback 28-14 after a unranked Alabama whipped 20th-rated Louisiana State 16-7 in the afternoon.

Jim Carter's three first-period touchdowns staked Minnesota to a 21-0 lead and the Golden Gophers held Purdue's vaunted Leroy Keyes to 46 rushing yards in a 27-13 upset that chilled the Boiler-makers' chances of tying for the Big Ten lead.

Quarterback Dennis Brown and halfback Ron Johnson led seventh-ranked Michigan past Illinois 36-0 and No. 8 Missouri moved ahead of Kansas into first place in the Big Eight by trouncing Iowa State 41-7.

Ninth-ranked Georgia demolished Florida 51-0 and Texas, No. 10, crushed Baylor 47-26 as Chris Gilbert cracked the top 10 all-time major college runners with 3,086 career yards.

The nation's other two unbeaten teams, Yale and Harvard, continued on toward their Nov. 23 Ivy League showdown. Yale blasted Penn 30-13 while Harvard edged Princeton 9-7.

Lakers in Easy Victory Over Knicks

By THE ASSOCIATED PRESS

Los Angeles Lakers, past and present, had the hot hands Sunday night in the National Basketball Association.

The current Elgin Baylor-Jerry West-Wilt Chamberlain triumvirate combined for 71 points in an easy 130-109 victory over the New York Knicks.

Meanwhile, Carl Goodrich, lost by Los Angeles in last spring's expansion draft, canned a 10-foot jump shot with seven seconds left in overtime, giving Phoenix a 130-128 nod over Detroit.

In the American Basketball Association, Oakland defeated Miami 137-129 and Minnesota crushed the New York Nets 118-96.

The Lakers' victory was their fifth straight after a slow start and moved them 2½ games ahead of idle Atlanta in the NBA's Western Division. New York fell behind by 21 points at halftime and never challenged.

After their 6th victory against one loss and one tie, the Tigers will return home to start their homecoming week. This will be the final game of the season for the Tigers, and for many of the Tigers this will be their last game as a Tiger.

Those making their last appearance are Quarterback — David Block, Fullback — Estell Hendrix, Tight End — Jerry Johnson, Tailback — Horace Johnson, Center — Calvin Shaw, Tackles — Robert Scott and Ira Isley, Guards — Robert Baker and Christopher Hindman on offense.

On defense the Tigers will be lacking the services of Tackles — Ronald Moses and Louis Sharp, Guards — Robert Baker and Calvin Shaw, Ends — Ira Isley and Richard Carter, Linebackers — Chris Hindman and David Benton, Halfback — Jerry Johnson. The Tigers will also miss some great reserves as Sammie Austin, Kenneth Martin, Larry Jackson, and Donald Scott.

The Tigers will be hitting and playing extra hard because they don't want to lose their homecoming game. They will be playing Texarkana Washington High of Texarkana.

Phoenix and Detroit battled through 20 ties and 29 lead changes before Goodrich's shot enabled the surprising Suns to square their record at 5-5. George Wilson of Phoenix, scored a career high 33 points.

A crowd of 6,102 fans turned out in Miami Beach to see Rick Barry, former University of Miami star, pace Oakland over the Floridians with 30 points. It was the Oaks' eighth win in nine ABA starts. They lead the Western Division by three games.

Minnesota's defending champion Pipers—the transplanted Pittsburgh Pipers—won their

fifth game in six starts by trouncing the Metsas Connie Hawkins scored 28 points.

The Pipers led 58-42 at the half and hit 10 of their first 13 shots in the third period.

In the NBA Saturday night, Baltimore edged San Diego 109-107, Boston nipped Milwaukee 98-97, Philadelphia whipped Seattle 114-94, Cincinnati turned back Chicago 110-104 and Atlanta outlasted San Francisco 113-106.

In the ABA, it was Dallas 128, Houston 96; Indiana 112, Los Angeles 107 and New York 99, Kentucky 97.

Red Wings Leave Fans Something

By THE ASSOCIATED PRESS

The Detroit Red Wings won't be home again until Thanksgiving but they left their fans with something to remember them by Sunday night.

Dean Prentice banged in Bruce MacGregor's passout with only 44 left after the Wings pulled goalie Roger Crozier for a sixth skater to give Detroit a 4-4 tie with Montreal before a packed house of 15,207 National Hockey League fans.

Elsewhere, New York downed Chicago 4-2, Boston and St. Louis battled to a 1-1 tie and Toronto beat Oakland 3-1.

Saturday's scores were Montreal 4, St. Louis 1; Los Angeles 3, Toronto 1; Minnesota 6, Detroit 4; Philadelphia 3, Pittsburgh 0.

Crozier dashed for the Detroit bench as Pete Stelmowski fired the puck against the boards behind the Montreal cage. MacGregor raced in to field it and Prentice, camped just outside the crease, slammed the pass-out past Gump Worsley.

With Jean Beliveau and Mickey Redmond scoring once and Yvan Cournoyer twice, the Canadiens took a 4-2 lead. But Frank Mahovlich made it 4-3 with his second goal early in the third period, setting up the last-minute fireworks.

Ed Giacomin's brilliant goaltending keyed New York's triumph over Chicago. Giacomin stopped two breakaways by Bobby Hull, and Jim Neilson, Jean Ratelle, Bob Nevin and Phil Goyette got the Ranger goals. It was Nevin's 11th, tops in the league.

Boston's Derek Sanderson and Jim Roberts of St. Louis traded goals in a lively contest heightened by a wild second-period brawl. Referee Bruce Hood whistled match penalties against Boston's Ted Green and the Blues' Bob Plager.

The fracas started between Craig Cameron of St. Louis and Boston's Bobby Orr. Green dumped Cameron and Plager and Green swung wildly at each other with their sticks before turning to fistfights.

A general melee erupted when Cameron hit Boston goalie Gerry Cheevers. Dallas Smith went after Cameron and they traded punches while seven other players tangled behind the Bruins' goal.

Montgomery Leads Hogs to Victory

By MICHAEL A. LUTZ
Associated Press Writer

It's the same song, second verse, in the Southwest Conference football chase today with the same four teams—Texas, Texas Tech, SMU and Arkansas—still tied for the league lead with 4-1 records.

But the tune will change after Saturday's round of games which includes a showdown at Little Rock between Arkansas and SMU. That will narrow the crowd to at least three.

Other members of the first place quartet will be favored to remain in contention. Texas battles TCU in Fort Worth and Texas Tech plays at Baylor.

Tech and Texas aren't a cinch, however, especially after Saturday's performances. The Longhorns, ranked 10th in the nation, came back to bury the hapless Bears 47-26 but Baylor led 13-12 at halftime. Tech rallied to smear TCU 31-14, but not before the Frogs jumped to a 14-0 first quarter lead.

In the other games Saturday, Arkansas thrashed Rice 46-21 and SMU bested Texas A&M, 36-23.

"Well, we did have a few things to discuss at halftime," Texas Coach Darrell Royal said after the Bears had matched UT's precision offense touchdown for touchdown in the first half.

"Offensively I felt we were playing well enough at half," he said. "Defensively we didn't have our stinginess out and I felt Baylor took the fight to us."

Baylor has a lot of young players and they're gonna be a fine ball club."

But the Longhorns settled differences in the second half. They scored three times in the third quarter—two by Steve Worster—to sew it up with the help of Chris Gilbert, who rushed for 212 yards and scored two touchdowns.

Gilbert, who leaped into seventh place among the nation's all-time rushers, needs only 13 yards this week to reach the 1,000-yard mark for the third straight season.

Texas amassed 657 yards in total offense, 557 yards on the ground.

SMU pulled something of a surprise on the Aggies, who had their defenses attuned to the airways and Mustang quarter-

back Chuck Hixson. Instead, the Mustangs went to ground-gobbler Mike Richardson, who scored touchdowns on runs of 10, 1, 2 yards and caught a scoring pass from Hixson for 12 yards. Richardson carried 39 times for 244 yards, to erase All-American Kyle Rote from SMU's record book.

Richardson's performance had to share billing with the feat of A&M's Edd Hargett. The Aggie quarterback completed 32 of 58 passes for 370 yards to set a conference record for completions. He also ranks ninth on the all-time college list.

Arkansas' convincing victory over winless Rice was simply another case of sophomore quarterback Bill Montgomery doing his thing to perfection.

Montgomery hit Chuck Dicus on touchdown shots of 42 and 67 yards in completing 15 of 23 passes for 266 yards. Dicus caught eight for 193 yards.

Tech rallied from a 14-0 first quarter deficit to protect its share of the conference lead. Raider quarterbacks Tom Sawyer and Joe Matulich each contributed a touchdown pass in the second quarter, which allowed Tech to start on even terms again in the third period.

Despite a heavy list of flu cases, the Raiders ignited in the second half for the victory and Coach J. T. King obviously was pleased.

But from there on, it was all U.S.L. Quarterback George Roussel got the first Cajun TD on a one-yard plunge. Mike McDonald ran back an ASU punt 53 yards with U.S.L. getting the last 35 yards in nine plays.

Roy Pennington booted a pair of U.S.L. field goals in the second half after the Cajuns stalled against Arkansas State's tough defense. One was from 30 yards and the other from 31.

State College of Arkansas had a chance to move into a tie with Tech at 4-1 but the Bears, operating most of the way without the league's top rusher, Frank Richardson, couldn't penetrate the Arkansas A&M defense and dropped a 9-0 decision.

Quachita upset Tech by defeating the Wonder Boys of their bread and butter-the big play,

Loss of Year

LAFAYETTE, La. (AP) — Southwest Louisiana handed Arkansas State University its second loss of the season Saturday night, 20-9, in a nonconference game.

The Cajuns hustled from behind with two second quarter touchdowns.

One of those touchdowns came on a 68-yard pass-run by tailback Jim Kemp just before the half ended. Kemp took a screen pass from quarterback George Coussin and eluded the ASU defense behind some good blocks to go all the way.

ASU quarterback James Hamilton directed the Indians 55 yards in just four plays for ASU's only touchdown. Tailback Frank McGulgan scored it on a two-yard plunge. Gary Elliott followed up with a 37-yard field goal a few minutes later after Terry Whiting intercepted a U.S.L. pass.

Top Runner Is Lost to Chicago Bears

By DICK COUCH

Associated Press Sports Writer

The burden of Jim Dooley's Total Offense concept has shifted ... most painfully for the Chicago Bears, ... from the flashing feet of Gale Sayers to the hot hands of young Virgil Carter.

No one will replace Sayers, injured during Sunday's 27-19 victory over San Francisco and lost for the rest of the National Football League season, in the Bears' backfield.

But Dooley, the first-year Chicago coach who devised an attack ... which he called Total Offense ... to exploit Sayers' versatility at every turn, might take some solace in the presence of Carter.

Total offense always has been the rookie quarterback's bag. Sayers, the NFL's top ball carrier, suffered torn ligaments in his right knee in the second quarter of Sunday's game.

Sunday night, But the Bears still rolled to their fourth straight victory ... and kept a share of the Central Division lead, as Carter scored twice and passed for a third touchdown.

The former Brigham Young ace holds the all-time NCAA career record of 6,354 rushing yards.

Elsewhere Sunday, the New York Giants stunned Dallas' Capitol Division pace-setters 27-21; Baltimore whipped Detroit 27-10; Los Angeles struggled past Atlanta 17-10; Minnesota downed Green Bay 14-10; Cleveland trounced New Orleans 35-17; Pittsburgh battled St. Louis to a 28-28 stalemate and Washington trimmed Philadelphia 16-10.

Most of our offense was geared to Gale's talents," Dooley said in the hushed Chicago dressing room after the costly victory. "Now that we no longer have his talents, we have to prepare our game plans to the material we have."

Carter, elevated from the taxi squad last month when an injury shelved first string quarterback Jack Concannon, kept the Bears' offense in gear against San Francisco, flipping an 18-yard scoring pass to Bob Wallace after dashing seven yards for one touchdown and sneaking one yard for another.

The Giants, who had lost three of their previous four starts to fall two games behind Dallas in the Capitol race, beat the Cowboys for the first time since 1963.

Two field goals by Pete Gogolak made the difference after Fran Tarkenton raced 22 yards for one touchdown, passed five yards to Joe Morrison for another and hit Homer Jones with a 60-yard scoring bomb.

Preston Pearson zipped 102 yards on a kickoff return, sending Baltimore ahead of Detroit to stay, and Colts quarterback Earl Morrall completed a string of four victories over the four clubs with whom he played before hooking up with the Coastal Division contenders.

The victory, eighth in nine games for the Colts, kept them tied for the Coastal lead with the Rams, who barely got by lowly Atlanta when Roman Gabriel's 10-yard TD strike to Jack Snow snapped a fourth quarter tie.

Minnesota, sparked by the defensive play of tackle Carl Eller and a two-touchdown burst by fullback Bill Brown, held off the slumping Packers to retain a piece of the central lead.

Eller blocked a field goal attempt, threw Green Bay passer Bart Starr three times for losses and jarred the ball loose from Donny Anderson to kill a last-ditch Packer drive on the Vikings' 18 yard line.

Blanda Big Gun in the Raider Win

By HAL BOCK

Associated Press Sports Writer

George Blanda's hand still hasn't lost its touch and Jim Turner's toe remains on target as well.

Blanda, Oakland's 40-year-old kicking specialist, took over at quarterback for injured Daryle Lamonia and romped through Denver like a juvenile, leading the Raiders to a 43-7 victory over the Broncos in the American Football League Sunday.

Meanwhile, Turner booted four more field goals and took over the AFL scoring lead, helping New York to a 26-7 victory over Houston that all but clinched the Jets' first Eastern Division title.

Blanda's heroics kept the Raiders tied for second with San Diego, which ripped Boston 27-17. Both clubs are one-half game behind Kansas City, which rallied for a 16-9 triumph over Cincinnati in Sunday's other AFL game. Miami rallied for a 21-17 decision over Buffalo.

In the National League, New York stunned Dallas 27-21, Baltimore rapped Detroit 27-10, Minnesota dropped Green Bay 14-10, Los Angeles whacked Atlanta 17-10, Cleveland whacked New Orleans 35-17, Chicago downed San Francisco 27-19, Washington defeated Philadelphia 16-10 and Pittsburgh and St. Louis played to a 28-28 tie.

Blanda pitched four touchdown passes and kicked two field goals to demolish Denver. Blanda finished with a flair, setting an Oakland record with a 94-yard TD pass to Warren Wells, who caught the ball at midfield and simply outspun defender Drake Garrett.

The only Raider scoring in which Blanda did not have a hand was a 64-yard run by rookie Charley Smith and a two-point safety contributed by the defense when it trapped Floyd Little in the end zone.

Turner, who kicked six field goals last Sunday, made it 10 in two weeks and ran his season's point total to 97—one more than Kansas City's Jan Stenerud.

The Jets' specialist connected from 14, 32, 28, and 21 yards as New York opened a 3½-game bulge in the Eastern race and reduced its magic number for clinching the division title to two.

Joe Namath went through his sixth straight game without completing a touchdown pass but hit George Sauer often enough to set up two TDs by Bill Mathis as well as Turner's four field goals. Sauer caught four

for 128 yards...

Rookie Robert Holmes raced 27 yards for Kansas City's winning touchdown in the fourth quarter against fired-up Cincinnati. Holmes' dash helped the Chiefs' preserve their slim Western Division lead.

Dale Livingston's third field goal of the game had given the Bengals a 9-6 lead midway through the third period after Jess Phillips had intercepted a Jack Lee pass on the Kansas City 35 and returned it to the 13.

That brought injured Len Dawson back into the game and the veteran quarterback marched the Chiefs 70 yards to the Cincinnati 10, from where Stenerud's third three-pointer tied the score. Then Holmes, who carried 21 times for 158 yards, won it for KC.

Russ Smith raced for a pair of touchdowns as San Diego built an early lead and held off a late Boston rally. Gino Cappelletti of the Patriots became the first player to score 1,000 points in AFL history.

Smith scored on runs of 16 and 67 yards and John Hadl hurled his 18th touchdown pass of the season—a 67-yarder to Gary Garrison. Added to a pair of field goals by Dennis Pardee, that gave the Chargers a 27-3 lead.

Two late Boston TDs—one of

them a 19-yard pass to Cappelletti made it close for the Chargers, who kept pace with Oakland and Kansas City, Cappelletti's 11 points gave him a career total of 1,004.

Miami spotted Buffalo 17 points and then roared back to beat the Bills. Quarterback Bob Griese keyed the comeback, racing 13 yards for one TD, passing five yards to Karl Noonan for another and then passing the Dolphins into position for Jim Kite's four-yard scoring run.

Randy Edmunds' interception and successive Griese strikes of 24 yards to Doug Moreau and 16 to Howard Twilley, set the stage for Kite's winning TD.

"If I have questions about bills, payment arrangements, or some other telephone matter, whom do I call?"

Here's the expert.

She's your telephone service representative. To many telephone users, she is the phone company.

She answers questions, provides personal number booklets, directories and duplicate bills. She helps you get new phones installed.

As a service representative, she has to be something of a lady executive, a bit of a diplomat and an expert in phone service.

And she is. She was hired from a select group of applicants and put through an extensive training program.

And she attends regular meetings to discuss customer service.

Next time you need help on a telephone problem, just call the telephone business office.

Your service representative will take it from there.

WORLD ALMANAC

 Pierre Joubert, a French-
Canadian bootmaker, lived
113 years and 124 days, the
oldest authenticated age
ever attained by a human
being. The World Almanac
says he was born in
Charlebourg, Quebec, July
15, 1701, and died in Quebec
Nov. 16, 1814. Joubert's
great age was verified in
1870 by Dr. Tache, official
statistician to the Canadian
government.

"GLASS COW" gets a feeding from Army Sgt. Roy E. Grunwald of Cleveland, Wis., a volunteer under Project Transition, designed to expand the job skills of service-men who are to be discharged from active duty within six months. The glass cow is part of a study on livestock digestion by the U.S. Department of Agriculture. Advantages of using a machine is that scientists can make complex manipulations without discomfort to an animal.

THE WELL CHILD

Excitement A Cause Of Chronic Stuttering

 By WAYNE G. BRANDSTADT, M.D.
the elevator muscle is needed.

A mother asks what causes a child to stutter and what treatment is best. All children stutter when they are excited and try to talk too fast. Chronic stuttering is caused by making a child self-conscious about his speech, as when a parent or teacher calls his attention to this normal reaction. No child becomes a stutterer until after he has been accused of stuttering.

Once the habit is established, the treatment is difficult. The two essentials are a more relaxed atmosphere and, in most cases, the attention of a speech therapist.

Q—My granddaughter has a drooping of one eyelid. It is worse when she is tired. Her vision is normal. What causes the drooping? Is there any treatment for it?

A—Although this may be due to a congenital weakness of the muscles that raise the lids, this type usually affects both eyes. When only one side is affected, the cause is a partial paralysis of the nerve supplying the lid muscle and the cause of the paralysis must be sought. In some victims, an operation to shorten the theory that five clubs would certainly go for at least 500 points and that a miracle might take place at four hearts doubled.

Oswald: "The miracle did take place. Mike opened his singleton diamond. East cashed three diamond tricks while Mike discarded his two spades. Then East led a spade, whereupon Mike ruffed and set the contract."

Jim: "Quite a result. Imagine most other East-West pairs went down at four or five clubs. Mike was playing with Gayle, his wife, wasn't he?"

Oswald: "Yes, and that may have been the reason he passed. When your mother and I first played together in the distant past, I made it a point to leave her doubles in. Somehow or other, she always had mighty sound ones. Mike must have had the same experience with his wife's doubles."

Jim: "I see that when his partner doubled four hearts, Mike stood by the double on

BRAND NEW YOUNG PEOPLES COURSE offers you an EXCITING FUTURE AT FAMOUS ARTISTS SCHOOLS

As the educational and cultural booms accelerate, Famous Schools of Westport, Conn., are keeping in step — in fact, a step or two ahead.

In addition to its world famous Artists, Writers and Photography Schools with America's most distinguished professional faculty — it has now added . . . the bright, new exciting Famous Artists Course for talented young people featuring such famous artists as Norman Rockwell, Jon Whitecomb, Al Capp and Al Parker.

We now need qualified women to handle the thousands of leads we are receiving from this special age group. The women selected can earn \$10-\$15,000 from high commissions and bonuses the very first year. They will do no canvassing and no collecting. They will enjoy a prestige career with the world's outstanding home study schools — working only from leads, supplied by the Famous Artists Schools.

The ideal candidate is near 30 years of age, is bondable, can do some traveling and owns a late model car.

Women with ambition, exceptional ability who require a high income and who want to capitalize on the educational boom are urged:

Tired of Bouncing Around? **LOOKING FOR A "HOME?"**

We're a big time company (\$70,000,000) in sales — but we have a small town philosophy. (Maybe that's how we got to be big.) We don't promise the moon. If you have the ability and you're willing to work hard, you'll make a good buck with us. Not a fortune — although some of our men do realize as much as \$30,000. However, most of our beginning men are in the \$11-\$15,000 category! But one of the good things about Famous Schools is that almost every salesman increases his income year after year after year.

Many of our sales force have been with us fifteen years. They tell us they have found a "home" and we're tickled they did. Maybe Famous Schools is the spot for you. If you're really looking for a lifetime career opportunity.

As part of Famous Schools' youthful sales team you will be supplied with qualified leads from our national advertising. You're seen our ads in Life, Look, Reader's Digest and on TV.

Famous Artists, Famous Writers, and famous Photographers. Schools. . . the Famous Schools, Westport, Connecticut, offers America's most distinguished faculty including: Norman Rockwell, Jon Whitecomb, Rod Serling, Bennett Cerf, Faith Baldwin, Richard Avedon, Bert Stern, Irving Penn.

The ideal man is over 21 years of age, owns a late model car, is bondable and can do some traveling.

In addition to high commissions you receive full company benefits including major medical policy and company paid insurance. Sound interesting? We think it should. If you want an income, security and time to spend with your family.

Veterans Day Around the Nation

By HAL COOPER
Associated Press Writer
NEW YORK (AP) — World War I, once called "The war to end war," ended in an armistice 50 years ago today.

When the shooting stopped there lay dead, by U.S. War Department count, more than 8.5 million soldiers, including 125,000 Americans.

Estimates of the over-all toll of armed men and civilians, either in battle or as a result of it, ranged up to 13 million.

France had lost 1 in 28 of its population, Germany 1 in 32, Britain 1 in 57.

Destroyed were the German, Austro-Hungarian, Russian and Ottoman empires. In Russia, communism had emerged as a force to be reckoned with. And America, long isolated from the international mainstream, had joined the world's great powers.

Until World War II, the conflict was known as "The Great War."

Yet when it began on July 29, 1914, with the Austrian invasion of Serbia, the German-led Central Powers had expected easy victory in a matter of weeks.

Germany's Kaiser Wilhelm assured departing troops in August 1914 that they would be home "before the leaves have fallen."

But it was 4 years, 105 days after the Serbian invasion when Germany, beaten back on Europe's Western Front largely by fresh American troops—and beset by civil revolution and naval mutiny, asked for an armistice.

The armistice was signed at 5 a.m. Nov. 11, 1918, in the private railway car of French Marshal Ferdinand Foch, the allied commander in chief, in the Forest of Compiègne. It was effective on the fighting fronts six

Few Knew It Here But Arkansas, 21 Other States Hit by Quake

CHICAGO (AP) — An expert on earthquakes says the cause of Saturday's quake that jarred residents of 22 states may be linked to millions of tons of silt deposited annually by the Mississippi River in the Gulf of Mexico.

The Rev. Donald Roll, director of seismological studies at Loyola University, said Sunday, "It's quite possible that the tons of silt deposited by the great river systems at the mouth of the Mississippi triggered a sea-saw effect on the vast continental blocks beneath the earth's crust."

"The weight of the silt depressed one end of the block and tipped up the other," Father Roll said.

However, he said, he doubts that there will be any followup tremors.

"I expect none whatsoever," Father Roll said. "We have nothing to worry about. That was a kind of safety valve. The pressure which had built up has been released."

Arab Immigrant, 2 Sons Held in Alleged Plot to Kill Nixon

By LOUISE COOK
Associated Press Writer
NEW YORK (AP) — A 43-year-old Arab immigrant and his two sons are being held in \$100,000 bail each in connection with an alleged plot to assassinate President-elect Richard M. Nixon.

The three who were arrested in Brooklyn Saturday night, were arraigned Sunday on charges of conspiracy to commit murder, possession of deadly weapons and criminal solicitation.

They are Ahmed Rageh Namer, a naturalized American citizen who came to this country from Yemen 13 years ago, and his sons, Hussein, 20, and Abdo, 19.

Police gave no details of the alleged plot.

Investigators were checking whether the three might have had any association with Sirhan B. Sirhan, the Jordanian immi-

grant who goes on trial in Los Angeles Dec. 9 on charges of assassinating Sen. Robert F. Kennedy.

No motive for the alleged plot had been revealed but Nixon, like Kennedy, has said the United States is committed to maintain Israel's military superiority over its Arab foes.

Nixon was in Key Biscayne, Fla. He was scheduled to return to New York, where he has an apartment, Monday night.

A Nixon aide, informed of the arrests, said Nixon "has no concern over it." He added, "Any idea of a major plot is over-exaggerated."

The Namer reportedly took several trips to the West Coast and other parts of the country. Police sources said the men gave no satisfactory explanation on how they could afford to travel so much on their modest salaries. All three worked as shipping clerks.

In Washington, however, the Secret Service said any attempt to link the alleged plot with the Kennedy assassination was "pure speculation at the moment."

Mohsin Alalini, Yemen's ambassador to the United Nations, said Sunday night his consulate had no record of the three men. He also urged caution in judging the case and said, "What I think is maybe someone who has differences with these people did call and accuse them of something. The other thing is that in Yemen everyone has arms. It is permitted."

The Cairo newspaper Al-Ahram said the whole story was a fabrication designed to turn Nixon against the Arabs. The paper called New York City "a den of Zionism in America." It also said Yemen was not directly involved in the Israeli dispute.

Police and Secret Service agents who burst into the Namer apartment Saturday found two rifles, two switchblade knives and a quantity of ammunition.

One Killed in Highway Accident

By THE ASSOCIATED PRESS
One person was killed on Arkansas highways during the weekend, according to The Associated Press count, which began at 6 p.m. Friday and ended at midnight Sunday.

State Police identified the victim as Leory McDaniel, 52, of Bentonville. Officers said McDaniel's car went out of control less than two miles south of Sulphur Springs while attempting to pass another vehicle on a curve.

Authorities said the northbound vehicle left the highway on the left side and struck a rock ledge. Lorene McDaniel, 50, also of Bentonville, a passenger in the car, was seriously injured.

Snow, Sleet Hits Areas of Arkansas

By THE ASSOCIATED PRESS
Snow was reported falling in Northwest Arkansas today with accumulations up to three inches in the higher elevations as rain and sleet fell in other portions of the state.

Some snow was reported in Central Arkansas but there was no threat of accumulations. However, precipitation blanketed all of the state.

Rainfall in the 24-hour period that ended at 6:30 a.m. today ranged from 0.03 inches at Blytheville to 0.55 at Fort Smith.

Low temperatures reported around the state this morning ranged from 32 degrees at Fayetteville and Harrison to 48 at Blytheville.

High temperatures reported around Arkansas Sunday ranged from 44 at Fayetteville to 4 at Pine Bluff and Blytheville.

Wreath for Unknown GI

MEMPHIS, Tenn. (AP) — A switch in lawyers just two days before James Earl Ray was to stand trial on charges of murdering Dr. Martin Luther King Jr., raised doubts as to whether the trial will be held this year.

Ray took action Sunday to drop Arthur J. Hanes, a former Birmingham, Ala., mayor, as his lawyer and retain famed defense attorney Percy Foreman of Texas.

Foreman, whose clients have included Jack Ruby and heiress Candace Mossler, said he would go before Criminal Court Judge W. Preston Battle at 9:30 a.m. Tuesday — the time Wray's trial is scheduled to begin — and a request a continuance.

When told earlier Sunday of rumors of the impending switch, Battle said he would grant a delay "if Ray retains Foreman and if he asks" for a postponement.

It was believed that Foreman would ask for at least 30 days to give him time to become familiar with the case. Hanes, who said the change came as a surprise to him, said he would not object to the motion.

Since the trial is expected to last at least four weeks, a postponement of 30 days would push the start of trial close to the Christmas holidays—with the likely result that Battle would reset it for early next year.

Ray, charged with first-degree murder, is accused of the sniper slaying of King on April 4 while King was in Memphis to support the city's striking garbage collectors.

Thinks Loss Due to Old Guard Label

LITTLE ROCK (AP) — Charles D. Matthews of North Little Rock, chairman of the state Democratic party, says Democratic gubernatorial nominee Marlon H. Crank lost recently to Gov. Winthrop Rockefeller "because the Republican party made the old guard label stick."

"It was a close election and there were other faults and deficiencies in Marlon's campaign, which, in my own mind, were matched by faults and deficiencies in the opposition," Matthews said. "The difference was the old guard label."

He also contended that the election of Rockefeller, a Republican, did not mean that Arkansas had left the Democratic fold.

He said the voters had "said they were still Democrats but they will not permit the governor's office to go back to the 'old guard'."

He said the next two years would determine whether the two-party system becomes firmly entrenched in the state.

"If the governor (Rockefeller) does not seek a third term and if he does not elect to use his great wealth to see the two-party system continue, then it will be the end of the two-party system in Arkansas," he said.

"But if in the next two years the Democratic party alienates itself from the voters by failing to nominate good candidates and failing in the general assembly to come up with good progressive programs, then the Republican party may very well challenge even more strongly in 1970 than this time," he said.

Enemy Fires From Inside Buffer Zone

By ROBERT D. OHMAN
Associated Press Writer
SAIGON (AP) — North Vietnamese gunners fired artillery and rockets from inside the demilitarized zone at U.S. Marine positions Sunday, a military spokesman said today. It was the first enemy attack from within the buffer zone since President Johnson halted the bombing of North Vietnam and indicated he expected a reciprocal suspension of attacks from the DMZ.

The spokesman said at least four Leathernecks were killed and 41 were wounded in five attacks on three Marine positions just south of the DMZ. Marine planes and artillery struck back.

Marine headquarters said aerial observers and ground troops spotted two of the North Vietnamese gun emplacements, both of them in the southern half of the DMZ.

Marine aircraft and artillery destroyed one firing position and 10 bunkers three miles west of Con Thien and half a mile north of the southern boundary of the zone, a spokesman said. Heavy artillery fired on the other position, five miles west of Con Thien and one mile inside the DMZ, but it was not known if it was destroyed, said the spokesman.

One of the enemy attacks was against the Con Thien outpost, three hit a Marine unit four miles southwest of Con Thien, and one was against another Leatherneck unit four miles southeast of the outpost. The enemy used 75mm artillery and 122mm rockets, the spokesman said.

When President Johnson halted the bombing of Nov. 1 to get the peace talks in Paris moving, he warned: "We cannot have productive talks in an atmosphere of violence."

Sanitation Workers to End Strike

LITTLE ROCK (AP) — Little Rock's striking sanitation workers Saturday agreed to return to work today for a 30-day negotiation period.

None of the issues that precipitated the strike have been settled, but Mrs. Jeanne Lambie, president of Council 38 of the American Federation of State, County and Municipal Employees said the city has agreed not to discriminate against the protesting workers.

She said the men "became convinced that negotiations would be in good faith" so they decided to return without the written agreement.

Woods Plans 2-County Delegate Suit

LITTLE ROCK (AP) — Henry Woods of Little Rock, an unsuccessful candidate for a delegate's position to the constitutional convention, said Saturday he will file suit seeking another election of delegates in District 22 (Pulaski and Perry counties).

Woods said Tuesday's general election was a "gigantic hoax" and a "lottery" because 27 candidates' names were placed on the bottom row of the voting machines in Pulaski County.

He said those on the bottom row, without exception, ran behind the candidates on the top line and in some instances far behind.

"In other words, if you ended up on the bottom line, you could expect to poll only 43 percent of the average on the top line," Woods said, quoting statistics.

He said all candidates' names should have been placed on the same line.

Losers Are on Vacation

ST. JOHN, V.I. (ZAP) — Vice President Hubert H. Humphrey spent most of Sunday relaxing swimming and sailing aboard a chartered boat.

Both he and his running mate in the presidential campaign, Sen. Edmund S. Muskie, are on a 10-day vacation at Caneel Bay Plantation.

Jewelry Was Well Protected

MIAMI Fla. (AP) — Bill Clemmer called for a police guard when he set up a display of jewelry with an art show in Miami's Coconut Grove section. But no policemen were available. They were tied up guarding President-elect Richard M. Nixon.

Clemmer found a solution, however. He acquired a rattlesnake and put him in the jewelry case. The snake usually only attacks rats, but Clemmer hopes potential thieves won't know that.

Both he and his running mate in the presidential campaign, Sen. Edmund S. Muskie, are on a 10-day vacation at Caneel Bay Plantation.

Although the President-elect has begun to think about possible Cabinet choices, he has little by now known none will be announced before Dec. 5.

That's the week he goes to Palm Springs, Calif., to address the closing session of the Republican Governors Association, perhaps to reveal some of his Cabinet picks. He has indicated one or more GOP governors will be on the list.

The first appointment of the Nixon administration was announced Sunday. Rose Mary Woods, executive secretary to Nixon since 1951, will be his personal secretary in the White House.

Court Ruling Favors a Transit Firm

LITTLE ROCK (AP) — The Arkansas Supreme Court today upheld a Circuit Court ruling that Great Southern Coaches Inc. of Jonesboro could provide through service from Paragould to Little Rock.

The bus company, organized in 1942, had received permission from the Interstate Commerce Commission and the Arkansas Commerce Commission to extend its service.

Originally, the line served only between Paragould and Newport by way of Jonesboro. It also had requested that it be allowed to increase its services from two to four round-trips daily.

Midwest Bus Lines, operators of Continental Trailways, had appealed the lower court decision to the Supreme Court. The case was launched in Circuit Court at Little Rock before Judge Warren E. Wood.

MRS. JAMES A. WILLIAMS

Mrs. James Andrew Williams, of Parkdale, Regent of the Arkansas State Society, Daughters of the American Revolution, will be making her first official visit to John Cain Chapter on Wednesday, November 13, at a luncheon which, traditionally, honors the Chapter's Good Citizen Girl. The topic of her address will be "Accent on Youth".

Mrs. Williams, the former Dorothy Thompson, was reared in Georgia and is a graduate of La Grange College, La Grange, Georgia, where she majored in music. Following graduation, she taught school for one year and then worked with the U.S. Army Signal Corps, in Arlington, Virginia. There she met Captain James Andrew Williams, of the Finance Department, and they were married in Washington, D.C. They have lived in Parkdale since Capt. Williams' release from the Army. They have two children, Carol Louise, a graduate of Vanderbilt University presently doing graduate work at Peabody University, in Nashville, Tennessee, and James Andrew, Jr., who is a Senior at the University of Arkansas.

Since becoming an Arkansan, Mrs. Williams, an accomplished musician, has devoted her considerable talents to working with young people, in Church and music groups and, for the past sixteen years, to promoting the objectives of the National Society, DAR. A member of Col. Francis Vivian Brooking Chapter, of Hamburg, Arkansas, she has served as Chairman of many committees, was Vice Regent for six years and had served as Regent for two years when she was elected to the office of Vice Regent of the Arkansas State Society. She was installed offi-

cially as Arkansas State Regent at NSDAR Continental Congress in Washington, D.C., last April. To this high office Dorothy Williams brings great charm, boundless enthusiasm and deep concern for the welfare of this land.

Mrs. Williams will be coming to Hope on Tuesday, November 12, following a luncheon meeting of Wataeska District in Pioneer Washington and a special tour of Restoration projects there. She will be the house guest of Mrs. Richards Howard.

McCarthy to Press for Party Reform

WASHINGTON (AP) — Sen. Eugene J. McCarthy says he will press hard for reform of the Democratic party's presidential nominating procedures to insure that dissident viewpoints are represented.

"We want to establish the principle that unrepresentative delegations will not begin to cut off dissenting positions at the precinct and county level," the Minnesota Democrat said in an interview.

"We think there should be proportional representation for all viewpoints," he said.

McCarthy said as a critic of Johnson administration Vietnam policy he was denied this kind of representation in five delegations at Chicago, where he lost the Democratic presidential nomination to Vice President Hubert H. Humphrey.

The five, he said, were from Minnesota, New Mexico, Missouri, Pennsylvania and Connecticut.

The senator said two top figures in his campaign—Blair Clark and Stephen Mitchell—will carry his effort to a Nov. 24 meeting in St. Louis on reorganization of Democratic nominating procedures.

Clark was executive director of McCarthy's campaign and Mitchell was his convention manager.

Supporters of the late Sen. Robert F. Kennedy are expected to join with the McCarthy people at St. Louis to work out a formula against the sort of local procedures they say kept many of their representatives from being seated in Chicago.

Before he lost the election to Republican Richard M. Nixon, Humphrey had indicated he might go along with efforts to change convention rules.

Interest in Learning Art of Decoupage

Interest is high in learning the art of Decoupage. Picture shows part of a group of eighty homemakers meeting recently at the

Douglas Building Community Center to see demonstrations by Extension Related Arts and Crafts Specialist.

Dolores McBride, Extension Home Economist, says other homemakers may get instructions for Decoupage from the Hempstead County Extension Office.

Homemakers examine decoupage articles at recent training provided local homemakers by the Extension Service. Pictured

left to right — Mrs. Robert Maney, Mrs. Hubert Dodson, Extension Specialist, Mrs. Jim James, Mrs. Roscoe Bowden, Mrs. George Hooten.

Boxes and boards used come from a variety of home and commercial sources, including cigar and cosmetic boxes and planks from old buildings or new panel-

ing. Pictures came from endless sources, including magazines, calendars, greeting cards, and commercial prints.

The specialist used some 12 to 14 coats of finish on boxes and 18 coats on plaques displayed. This gave an appearance of richness and depth to picture.

—Dolores McBride Photo with Star Camera

Ethel Bennett, Extension Related Arts and Crafts Specialist, illustrates how to apply decoupage to wooden boxes and plaques. The specialist gave hints for successful results. She suggested to prevent bleeding not to mix brands. Since wood is porous, it should first be sealed with a wood sealer. Wood should be sanded with the grain using extra fine sand paper. Wet-dry sandpaper may be used and this will allow rinsing of sanding dust with water; otherwise use a tacky cloth to clean off sanding dust. Paint article with undercoat or antique finish if desired. Keep brushes clean.

To prepare pictures the edges may be left straight, torn or cut. Spray magazine pictures that are thin or have printing on back with a black flat paint.

Turn design over on was paper. Spread with diluted glue. Place on wooden article. Roll out excess glue by rolling with rounded pencil, glass or special roller. Clean off excess with paper towel or sponge. Be sure there are no bubbles under pictures. Apply a finish or varnish in

one direction with brush, being careful to avoid bubbles.

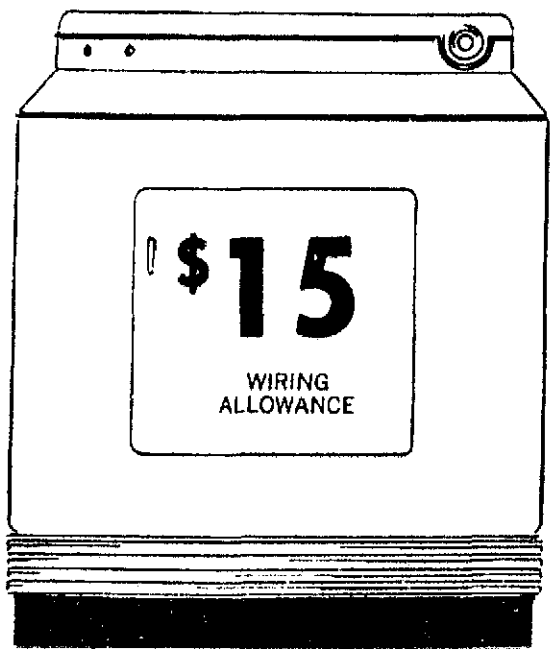

An inexpensive finish may be made using one-half white shellac and one-half denatured alcohol. Rub down with fine sandpaper. Repeat finish numerous times rubbing down after each application. When there is build-up desired, rub down and go over entire surface with very fine steel wool. Your box is now ready if you desire a rather dull satin look.

For a nice craftsman appearance, the specialist suggest putting felt tips on corners of the bottoms of boxes and cover backs of the pictures with felt.

REPORT TO MEMBERS

November, 1968

HOSPITAL BILLS GETTING BIGGER

A few years ago a hospital bill of a thousand dollars was the exception. Today, with better and more costly medical care available, hospital bills of a thousand dollars and more are increasingly common. This makes your Arkansas Blue Cross and Blue Shield membership more valuable than ever before, because Blue Cross automatically provides PAID-IN-FULL coverage for nearly all hospital services.

LAST MONTH'S BEST HELP

Total paid for care of Arkansas members \$1,580,079.24
Number of bills paid for Arkansas members 19,605
Largest payment for care of one Arkansas member \$ 11,006.35*

*This is a partial payment. The member is still hospitalized and his benefits are continuing to help pay the bills, because Blue Cross and Blue Shield benefits keep pace with members' needs.

WATCH OUT FOR COLDS

The common cold is still the largest single affliction to strike both young and old. A cold is not only contagious, it can be an open door to more serious respiratory and intestinal illnesses. During the fall weather you should avoid a cold by wearing proper clothing, eating a balanced diet and getting adequate rest. If you catch a cold follow prescribed methods of medication, keep warm, drink plenty of fluids and get proper bed rest.

BETTER BE SURE!

Hospital room rates continue to spiral upward. As a member in good standing Blue Cross and Blue Shield pays all the cost of nearly all hospital charges. But you choose the amount you want us to pay on the daily room rate. This is called the "daily room allowance." We urge all new members to be certain they select an adequate daily room allowance. Keeping all members informed is still another way Arkansas Blue Cross and Blue Shield gives the most help—when help is needed most!

NOVEMBER IS AMERICANISM MONTH

Americans have a great privilege in celebrating three big events this month. ELECTION DAY—to exercise the constitutional right to vote. VETERANS DAY—to honor the living and the dead who have defended our nation's freedom. THANKSGIVING DAY—to give thanks for and enjoy the benefits of living in the land of the Free. Democracy may not be the perfect system but it is far superior to what's second best!

On October 30 local officers raided this moonshine still about 10 miles southwest of Hope, arrested Edgar Allan Beeson of Hope Rt. 1, seized 64 gallons of moonshine, two copper pots of 350 and 250 gallon capacity and 1,300 barrels of mash.

Top photo shows the still; Middle photo shows State Trooper Wallace Martin at left and Deputy Sheriff Hervert Griffin at right; bottom photo shows a barrel and gallon jugs to be filled.

Russia Has Launched Moon Shot

MOSCOW (AP) — The Soviet Union launched an unmanned space ship toward the moon Sunday, an official announcement said today.

The announcement said the spaceship, Zond 6, was launched "to conduct scientific explorations along the route of the flight and in near-lunar space," and to test "systems and units" aboard the craft.

The launching came seven weeks after another unmanned Soviet space craft, Zond 5, made history's first flight around the moon and back to earth.

The announcement said Zond 6 first went into a parking orbit around the earth, then blasted off for the moon.

Information by radio from Zond 6 indicates that equipment aboard the spaceship is functioning normally, the announcement said.

The new space shot followed by almost two weeks the earth orbit flight of Soviet cosmonaut George T. Beregovoy aboard a different type of space craft called Soyuz.

The Zond 5 mission in September and Beregovoy's Soyuz flight seem to indicate an intensification of the Soviet effort to send a man to the moon.

Zond 6 should reach the vicinity of the moon Wednesday or Thursday. The trip takes 3½ days.

The exact purpose of the flight was not disclosed. The Soviet government usually does not announce the purpose of its space shots until after they are completed, apparently to avoid admitting failure when one occurs. Sometimes the purpose is never disclosed.

GOPs Looking to 1970 to Take Congress

By JOE HALL
Associated Press Writer
WASHINGTON (AP) — Republicans are already looking to 1970 as the year they might take control of the Senate from the Democrats.

GOP strategists say that with 25 Democratic seats coming up in 1970 against only eight held by Republicans, the statistics are more favorable than this year.

In last week's voting, the

HOPE (ARK) STAR, Printed by Offset

Democrats defended 23 seats and the Republicans 11. The GOP picked up a net gain of five seats, but they were still left in a 58 to 42 minority.

Republicans say that 14 of the 25 Democratic seats coming up in 1970 are particularly vulnerable.

The 14 seats now are held by these Democrats: Connecticut, Thomas J. Dodd; Florida, Spessard L. Holland; Indiana, Vance Hartke; Maryland, Joseph D. Tydings; Michigan, Philip A. Hart; Missouri, Stuart Symington; Nevada, Howard W. Cannon; New Mexico, Joseph M. Montoya; Ohio, Stephen M. Young; Tennessee, Albert Gore; Texas,

Ralph W. Yarborough; Utah, Frank E. Moss; Wisconsin, William Proxmire; Wyoming, Gale W. McGee.

In addition, there could be a free-for-all in Minnesota where Sen. Eugene J. McCarthy has announced he will not seek re-election as a Democrat.

A net gain of eight would give the Republicans Senate control since this would produce a 50 to 50 tie which Vice President Spiro T. Agnew could break.

Some Democrats expected to be relatively safe if they seek re-election include Majority Leader Mike Mansfield of Montana, Edmund S. Muskie of Maine, and John O. Pastore, of Rhode Island.

Democratic officials agree they will have problems because of the large number of seats they must defend. But they expect to zero in on two Republican seats in the nation's two largest states.

These now are held by George Murphy of California, and Charles E. Goodell of New York, named to succeed the late Democratic Sen. Robert F. Kennedy.

They say a Delaware seat could be won if Republican Sen. John J. Williams carries out his announced plan to retire in 1970. They reason also that Winston L. Prouty, of Vermont might be beaten if Democratic Gov. Philip H. Hoff runs against him;

Monday, November 11, 1968 and that Paul J. Fannin of Arizona could be defeated if Secretary of the Interior Stewart L. Udall opposes him.

Huge Dog Raised on Baby Food

SAN JOSE, Calif. (AP) — A silver and black German shepherd named Britt is missing and in danger of starving unless given baby food.

Britt's owner Margaret Barton, says the dog was born with an unusual pouch in his esophagus that prevents passage of regular food to his stomach. The 9-month old, 70-pound canine which vanished Saturday has been raised entirely on baby food.
